Case No. 22-875M(NJ)

**GOVERNMENT'S MOTION TO EXTEND SEAL OF
SEARCH WARRANT, APPLICATION, AND AFFIDAVIT**

The United States of America requests that this Court seal all materials, including the search warrant, application, and affidavit, filed or issued under the above-captioned case number, for a period of one year. In support of this motion, the government states the following:

1. On May 10, 2022, the government submitted an application for a search warrant under the above-captioned case number. The application for the warrant was supported by an affidavit that described the government's investigation to date and facts supporting probable cause to issue the warrant.

2. On May 11, 2022, this Court issued the requested warrant. The warrant packet was issued based on the application of SA Eric Burns of the Federal Bureau of Investigations (FBI), and included an affidavit to the search warrant.

3. Agent executed the search warrant on May 11, 2022. The warrant was returned on July 27, 2022. An Motion and Order to Seal the search warrant packet was signed on August 3, 2022 and has since expired.

4. The government's investigation of this matter is ongoing. Disclosure of the search warrant materials would jeopardize the investigation by disclosing the details of facts known to the government, including the identities of subjects of the investigation, and the investigative strategy to date. Disclosure of the search warrant materials would also jeopardize the investigation by potentially allowing the subject of the investigation to destroy or tamper with evidence. For those reasons, the government respectfully requests that all materials filed or issued under the

above-captioned case number, including this motion and related order, be sealed for a period of one year, or until further order by the Court, except as necessary to facilitate the enforcement of criminal law, including the execution of the warrant, or as required by federal statute or the Rules of Criminal Procedure.

Respectfully submitted, this 4th day of August 2023.

**ORDER TO EXTEND SEAL OF
SEARCH WARRANT, APPLICATION, AND AFFIDAVIT**

Upon consideration of the government's motion to seal all search warrant-related materials filed or issued under the above-captioned case number for a period of one year, the Court finds that this matter is appropriately kept under seal and, therefore, **ORDERS** that the Clerk of Court seal all documents filed or issued under the above-captioned case number for a period of one year, or until further order of the Court.

This Order does not prohibit law enforcement from disclosing the search warrant-related materials as necessary to facilitate the enforcement of criminal law, including the execution of the warrant, or as required by federal statute or the Rules of Criminal Procedure.

Dated at Milwaukee, Wisconsin this 7th day of August 2023.
